Introductory Comments

Sir:

Responsive to the Official Action Dated August 9, 2005 applicant respectfully submits the following response after final rejection. This response after final cancels the finally rejected claims 19, 20 and places dependent claims 21 and 22 thereof into independent form, as suggested by the Examiner. Because this response after final places the application in condition for allowance according to the Examiner's present Official Action, the amendments herein should be entered and a notice of allowance issued.

Claims 19 and 20 have been canceled. Claims 21 and 22 amended into independent form, including each and every limitation of the original independent claim from which they depended.
